**Entry Form Instructions:** The form on the following page has been designed to make the entry process as simple and efficient as possible. Please follow these instructions fully: If you show more than one breed of pigeons, please organize your entry so all birds of a given breed are entered in a block on the entry form before you move on to entering pigeons of your next breed. As you enter the birds of a specific breed, start by listing all the Young Hens first, then the Young Cocks, Old Hens, and ending with Old cocks. Please repeat this for all breeds. When finished mail the form to the address above. Be sure to apply sufficient postage. Thank you.
