Entry Form Instructions: The form on the following page has been designed to make the formal entry process as simple and efficient as possible. Please follow these instructions carefully: If you show more than one breed of pigeons, please organize your entry so that all birds of a given breed are entered in a block on the entry form before you move on to entering pigeons of your next breed. As you enter the birds of a specific breed, start by listing all the Young Hens (YH) first, then skip a line and list all the Young Cocks (YC), skip another line before listing all the Old Hens (OH), and finally, skip a line before listing the Old Cocks (OC). Repeat this YH, YC, OH, OC ordering with each breed. Use additional entry form pages as necessary. When finished, staple the cover and entry sheets together, enclose full payment, and mail all to the address above. Be sure to apply sufficient postage. Thank you.
